**Data Analyst | Front-End Developer | Graphic Designer**

## Professional Summary

Independent and self-motivated B.Tech graduate in Computer Science & Engineering with hands-on experience in data analysis, web development, and graphic design. Skilled in modern technologies like React, Node.js, and Python, alongside creative expertise in Adobe Photoshop and Illustrator. Dedicated to continuous learning, quality work, and achieving organizational goals.

## Experience

### Next Drive, Chandigarh — Data Analyst Intern (June 2024 – December 2024)

- Cleaned and optimized datasets using Excel and SQL.
- Conducted exploratory data analysis (EDA) and applied statistical methods including regression.
- Created dashboards and visualizations using Tableau to support business insights.
- Collaborated with teams to improve KPIs for mobile applications.
- Ensured data quality and integrity across multiple sources.

### Freelance Graphic Designer — Self-Employed (2019 – Present)

- Designed logos, icons, and brand assets using Adobe Photoshop and Illustrator.
- Created brand identity designs for individuals and small businesses.
- Managed project lifecycles independently — from concept to final delivery.
- Delivered high-quality visuals aligned with client expectations and deadlines.

## Personal / Academic Projects

- Student Management System (React, Node.js, MySQL) – Built a full-stack app implementing CRUD operations.
- Weather App (HTML, CSS, JavaScript) – Developed a simple API-based web app to fetch real-time weather details.
- Library Management System (MySQL) – Designed and implemented relational database schema.

## Certifications

- AI for All: From Basics to GenAI Practice – NVIDIA
- Microsoft Azure Fundamentals: Azure RBAC & Azure Policy – Infosys Springboard

## Technical Skills

Languages & Frameworks: React JS, Node JS, Python, JavaScript, Django, Spring Boot

Databases: MySQL, MongoDB

Tools & Platforms: Git, Azure, Tableau, Excel, Photoshop, Illustrator

## Education

Kalinga University, Raipur (C.G.) — B.Tech in Computer Science & Engineering (2020 – 2024)

Magadh University, Nalanda — B.Sc in Physics (Honours) (2016 – 2019)

## Soft Skills

Analytical Thinking | Creativity | Problem Solving | Adaptability | Team Collaboration
